

SYSTEM 40® ROLLER SYSTEM WITH FREE LINK COUPLING BRACKET SET

- Designed and manufactured in the UK, all systems are 10 year life cycle tested to ensure long lasting performance.
- The System 40® Free Link coupling bracket set joins two sets of blinds together allowing fully independent operation, whilst sharing a common centre support bracket.
- Useful when covering large areas of glass as openings with different drops can be covered using a shared intermediate bracket.
- Manufactured using high quality engineering grade polymer.
